

The Reading Tub, Inc. and Be the Star You Are!TM Helping Kids Turn a Page

Since 2003, the Reading Tub, Inc. has partnered with Be the Star You Are!TM to promote children's literacy. BTSYA created the Teen Star Review Team which writes reviews for books with one of the toughest target audiences in children's literature: kids ages 8 to 12. The teens review the books and in turn, we post their profiles on the Reading Tub® Web site.

*Here is the catalog of titles reviewed by Teen Star Book Review Team.
Note: Some books may still have a review pending.*
